

## MUSICAL THEATRE WORKSHOPS FOR TEENS (13-18)

**H**eld at Center Stage Dance studio from 8:30 - 10:30 am on Saturdays, this class divided into three 12-week long sessions, culminating in a performance piece at the end of each session. Participants may register\* for one, two or for all three workshops. Call **703/385-3396** or email [Love\\_to\\_Tap@yahoo.com](mailto:Love_to_Tap@yahoo.com) to sign up!

Each two-hour class will include one hour of vocal technique/repertoire and one hour of dance instruction in the styles reflected in musical theatre, i.e. jazz, hip-hop and tap (a specialty at Center Stage). Students will also learn elements of staging, partner dancing and using props.

Taught by Ms. Laura Halick, the vocal curriculum will include posture, breathing, tone production, diction & expression. Each performer will receive sheet music and an accompaniment track of songs. Students are welcome to record vocalizes and vocal parts during class.

Ms. Cristina Cayere Shockey's dance curriculum will include stretching, strength training, jazz and tap foundation, and partnering basics. Dancers need to wear comfortable clothing that allows for movement (not big, baggy sweats) and comfortable shoes. Dance shoes (character, jazz and tap) may be required for sessions.

**C**enter Stage Dance and Performing Arts Center was incorporated in 1990 by its Artistic Director, Sherri Shortell. Center Stage Dance offers quality dance instruction, from the beginner through professional level, in tap, jazz, ballet, contemporary, and hip hop classes for children and adults. The studio also offers musical theatre, drama, & voice classes for children of all ages. A professionally staged dance revue is presented in late June of every year. The professional Center Stage Dance Company, a nonprofit 501(c)(3) organization, is directed by Ms. Shortell & is in residence at the school.
